

BISHOP HENDRIX HEARD BY LARGE CONGREGATIONS

Beautiful Easter Services at Churches in Paducah Yesterday Morning.

Knights Templar Hear Interesting Sermon.

THE IMMORTALITY OF THE SOUL

Bishop Eugene R. Hendrix, of Kansas City, Mo., filled the pulpit of the Broadway Methodist church yesterday morning and evening, preaching two sermons of wonderful grasp and power. Bishop Hendrix held the session of the Memphis conference in Paducah in November, 1898, and this is the first visit since. The congregations that greeted him yesterday was a fine testimonial to the impression he made then. As a thinker, speaker and man of affairs, Bishop Hendrix stands pre-eminent in the college of bishops of the M. E. Church, South. His sermons yesterday were beautiful examples of the ripening effects of the 10 growing years since last here. The service was in every way commensurate with the spirit and triumph of Easter day. Palms and lilies about the altar added the touch of Easter beauty.

At night Bishop Hendrix spoke from the Psalm 86:11: "Unite my heart to fear thy name." Urging that neither God nor man can get music from an unstrung instrument, he stressed the necessity of concentration in religious life as an achievement in worldly matters.

At the close of the morning sermon Bishop Hendrix raised \$2,752 for the "floating debt" of the Broadway Methodist church.

There were nine additions to this church by letters yesterday morning, and a class of 16 by profession of faith were received. The Rev. G. T. Sullivan, the pastor, administered the rite of adult baptism to 14 young people and infant baptism to 12 children.

The congregation of the Trimble Street Methodist church with the pastor, the Rev. G. W. Banks, worshipped with the congregation of Broadway last night.

Bishop Hendrix left this morning for Chattanooga, Tenn., to attend the meeting of the laymen of the M. E. Church, South, which opens there tomorrow. Bishop Hendrix will introduce Ambassador Bryce, who is one of the speakers of the occasion.

Evangelist.

The Paducah Presbytery probably will employ an evangelist. Two prominent citizens of Marion were present at the meeting to lay before the Presbytery at Henderson the proposition, and offering a large contribution. It is probable that a man will be employed to actively engage in evangelistic work, preaching at the Mizpah and Hebrew missions in Paducah and elsewhere.

German Evangelical.

The Easter services at the German Evangelical church were attended by large congregations. At the morning hour the rite of confirmation was administered to Eugene Katterjohn, Elias Gehlschlager and Boyd Shelton. There were six members received by letter. The largest collection in the history of the church was taken at the morning service.

The Easter song service at night was especially beautiful. An elaborate program was rendered with several solo features. The Rev. W. E. Bourquin delivered an eloquent Easter sermon. The church was prettily decorated with palms, Easter lilies and other flowers.

Knights Templar.

The Rev. Calvin M. Thompson, former pastor of the First Baptist church of this city, preached an anniversary sermon there Sunday morning.

THE ENEMY'S COUNTRY

New York, April 20.—Bryan reached here today for political conferences. He breakfasted with Henry Watterson, of Louisville, and lunched with Judge Van Wyck. He said he is not in a position to discuss the recent state convention. He said he did not put the question of a resolution endorsing his candidacy up to Chairman Connors, of the state convention.

Judge Wells Leaves Murray After Hearing Confession Sunday—He Received Telegram From Someone.

Soldiers Said to Have Long Night Trip After Murray Harris Without Results—Three on Bond.

Murray, Ky., April 19. (Special.)—The confession of a night rider, and the mysterious disappearance of County Judge A. J. G. Wells, were the only events to break the monotony of a beautiful Sabbath in Murray. Soldiers were tired after an exhausting night's search. It is said, after Murray Harris, the missing witness against the Kiksey band of night riders.

No one will talk, but here is what happened Saturday evening without warning: Two officers, who have been coming in from Paducah every day with a detachment of eight men, and seven strange soldiers under a new lieutenant, arrived Saturday evening on the train from Paducah. Then all, excepting the men on guard, set out on horseback. They returned this morning, the most exhausted lot of soldiers one could imagine. The new comers all returned in to Paducah. It is said the seven were from Eddyville.

It is known that the authorities are anxious to find Murray Harris. He made a confession involving a number of prominent men in the Kiksey raids. Then he disappeared, and it is authentically reported that night riders worked on the fears of his family, until he was forced to flee for his life. A man by his name was located and captured, but he proved to be the wrong Harris.

However, it is whispered that the night riders, who are depending on the absence of Murray Harris to destroy the case of the prosecution, will be surprised, because there is other evidence. But, naturally, the authorities wish every bit of evidence at hand when the trials come off, and they are assured they will get the witness whenever it is necessary.

Another Confession.

A man named Stewart from the Blood river section, voluntarily presented himself before Judge Wells Sunday and said he and his father were compelled to take the night rider oath, but they did not participate in any raids. He divulged the names of a number of the leaders of the east side band.

Just before the noon train pulled out Judge Wells received a telegram and announced that he was called away and would have to hurry. Mrs. Wells said this morning she does not know where he went, nor when he will return, but she did not appear greatly worried over his absence.

The Arrests.

Saturday night the following were arrested on bench warrants: Chester and Clel Burkeen, Emper and George Parrish and M. D. and Calvin Berry and Dan Ellis. The Burkeen and Parrish boys executed bond. This leaves 12 in the county jail. The front cells are full of negro prisoners and only the steel cells are available for holding night rider prisoners. The jail will not hold more than 15 or 16 prisoners. It is probable that unless many make bond, some of the prisoners will be sent to Paducah for safe keeping.

County Attorney Barnett stated today it is his belief that not more than four or five will be tried at this term, because Judge Cook has other courts to hold soon. Most of the cases will go over until August, and indications are that the soldiers will be kept on duty in the county all summer, to protect witnesses from molestation and to prevent the night riders destroying the evidence against them.

The bondsmen of the Parrish boys, who gave \$1,500 bond each, are Ben Parrish, their father, Ward Parrish, of Paducah, their uncle; J. P. Burke, D. H. Hopkins, John A. Hopkins, A. J. Burke, Hardin Lovett, who gave bond in one case and went to jail in another, is sick, and he is in custody of the sheriff out of jail. The grand jury is working away today.

ITALY ACCORDED POSTOFFICE BY TURKISH SULTAN

Rome, April 20.—The Turkish ambassador notified the Italian foreign office that the sultan has yielded to King Victor's demand for authority to open the Italian postoffice in Turkey, a privilege enjoyed by all foreign powers. Orders for the Italian squadrons' departure for a demonstration in Turkish waters is countermanded for the present.

MINES IN OPERATION

Columbus, April 20.—Practically all the Ohio coal mines are in operation today as the result of the scale agreement at the Toledo conference.

INCENDIARY FIRE DESTROYS CHURCH NEAR SMITHLAND

The Oak Grove Presbyterian church, six miles below Smithland, and about the same distance from Paducah, was burned to the ground early Sunday morning. The church building was a new one and cost about \$1,500. Although there seems to be no clue to the identity of the supposed incendiaries, people in the neighborhood are said to have expressed the opinion that the church was burned by enemies of the Farmers' Union, which organization had held several meetings in the church. The fire is certainly incendiary.

HIRSCH PROPOSES BIBLE REVISION --BARS MIRACLES

Chicago, April 20.—Rabbi Hirsch, a prominent Hebrew scholar, proposes a bible revision with the elimination of all before the first commandment given to Moses. He said the story of creation is unnecessary, because unscientific and ridiculous. It's a miracle and miracles should not be believed.

BRAKEMAN'S NECK BROKEN FALLING OFF HIS CABOOSE

"Happy" Joe Woodriddle Meets Untimely End When Train Starts Up Grade.

Popular Trainman Leaves Wife and Infant Son.

LIVED MANY YEARS IN CITY

Jerked from the rear end of a caboose by the slack, the freight train No. 184, stretched out, starting up a grade at a speed of 30 miles an hour, two miles beyond Princeton last night at 6:40 o'clock J. P. Woodriddle, a brakeman, fell to the track, breaking his neck and crushing his skull. His death was instantaneous. Conductor Williams witnessed the accident, and the train was stopped as quickly as could be and backed to the spot, where the body was tenderly picked up and sent back to Paducah in charge of friends.

The accident happened on the Louisville division and the train was bound for Central City. It had just gone down a grade with the cars crowded together, when Brakeman Woodriddle stepped out on the back platform to climb on top of the train. The train started up the next grade and the slack pulled out with a jerk as the engine forged ahead, straining at the drawbars. The brakeman, caught unawares, toppled over the handrail before the conductor could move a step or cry out a warning.

"Happy" Joe Woodriddle was one of the best known railroad men in Paducah and numbered his friends by the score. He worked as a machinist at the shops for several years. He was a native of Richmond, Va., and came here with his parents November 19, 1891. He was born May 28, 1880. He married here, leaving his wife, Mrs. Margaret Woodriddle, and a baby boy, 17 months old, besides his father, C. W. Woodriddle, and a brother, James Woodriddle, in this city, and a brother, Charles Woodriddle, in Springfield, Mo.

Mr. Woodriddle was a member of St. Francis de Sales parish, and the funeral will be conducted by the Rev. Father Jansen. He was also a member of the Locomotive Firemen. The following pall-bearers have been chosen from among his railroad friends: John Trantham, Fred McCreary, Frank Shoulder, Roy Judd, Thomas McGarrigal, Robert Duke, Stoddard Robertson, William Lydon, Jr., Charles Carney, Thomas Ridgely, W. C. Toddy, Louis Hugg.

The funeral will be held at 2:30 o'clock tomorrow afternoon at the St. Francis de Sales church. The burial will be at Mt. Carmel cemetery.

Large Crowd in Paducah to Attend Spring Sitting of Federal Court Which Convened Here This Morning.

Famous Hollowell Case Attracts Many People From Caldwell County—Best Men in County Sued.

The convening of the April term of the United States court for the western district of Kentucky at the custom house today brought one of the largest crowds of the year to the city, the hotels and boarding houses being crowded with litigants and witnesses. Interest centers around the suits brought by the Hollowells against about 50 prominent citizens of Caldwell county for damages claimed to have been sustained at the hands of the men who are charged with being members of a mob that visited the Hollowell home and whipped the husband and mistreated the wife. The case probably will be reached on the docket late this afternoon or at the convening of tomorrow's session, and from expressions of the attorneys in the case will probably go to trial.

The Hawley-Meadows damage suit which was the feature of the last term of court, and resulted in a hung jury upon trial, was dismissed on motion of M. T. Shelbourn, who represented the plaintiff.

The only stipulation made public was that the defendant was to pay the court costs. It is understood that the Rev. Frank Hawley has been paid a small judgment and his attorneys satisfied by W. W. Meadows, who was the defendant.

It was indicated by the attorneys that the suit of the East Tennessee telephone company against the city will be continued, further time being asked to take proof in the case.

Exceptions to Sale.
In the suit of Kellogg, etc., against the Mergenthaler-Horton Basket company, exceptions to the sale of the master were filed with an offer of George Langstaff and others to start the sale with a bid of \$20,000. The property brought \$25,000 at the sale held recently.

Judge Evans instructed the grand jury orally and briefly, calling their attention to the various duties before them. He said the district attorney reported that there were few cases to be investigated and the court stated that this was highly complimentary to western Kentucky and its citizens, who are among the most law-abiding in the state so far as complying with federal statutes is concerned.

Admity Bureau.

The workings of the Southern Selecting Agency, an alleged matrimonial bureau, proved interesting and amusing to the large crowd in federal court this morning, and although the court is usually most imposing and solemn, a ripple of laughter passed over the room on several occasions when the plans and details of the agency were aired before the court. According to the evidence there were placed two advertisements in city papers, one purporting to be from a young and handsome lady of means and another from a gentleman of like qualifications, and read as though they were placed by individuals seeking the acquaintance of one of the opposite sex matrimonially inclined.

When answers came, the agency would send out a circular giving a more complete description of the lady or gentleman referred to in the advertisement and propose upon receipt of \$1 as a membership fee, to furnish the name and address of the person. If the one did not prove satisfactory they would furnish other names and addresses or refund the money. Mr. Worley, of Brownsville, Tenn., and K. R. Pankey, of St. Louis, Mo., who answered the advertisements, were present in court. Both stated that the agency put them in communication with young ladies and that as far as they were concerned they were entirely satisfied with the proceedings, though neither admitted marrying the girls they met through the advantages of the agency. E. Brown was on trial. Brown admitted placing the advertisements, but denied any intention to defraud. He said that in one case he had a party's consent to advertise for a correspondent, but that in the other cases he used the plan as a means to get in touch with people matrimonially inclined.

The jury in the Brown case returned a verdict of not guilty and the defendant was released.

The charge against G. A. Chandler for refilling bottled in bond whiskey with inferior whiskey was dismissed.

A like charge against C. E. Blacknall was continued.

Pony West was convicted for selling whisky without a license and his punishment was fixed at a fine of \$100 and 30 days in jail.

The pension fraud case against George Burke was continued.

William Lett was convicted on a

charge of selling liquor without a license and fined \$100 and given 30 days in jail.

The charge against William Beauregard for selling liquor without a license was continued.

The cases against J. S. Bardeaux and Phil J. Abbott were continued. Dink Rowland was convicted for selling whisky without paying the special tax. He is a negro from Mayfield.

The case against Frank Ferriner for violating the liquor laws was dismissed after the evidence of the prosecution had been heard.

The charge against Ed Gardner for selling liquor without license was continued on account of the absence of witnesses.

J. M. Radford, charged with violating the postal laws, was dismissed on motion of the district attorney.

The Civil Docket.

The criminal docket having been disposed of the civil docket was taken up this afternoon and the case of the Walsh Manufacturing company, of Pittsburg, against the Paducah Coopersage company went on trial. The suit is to recover \$2,500 for a lumber kiln sold the coopersage company, which refused to accept the kiln on the ground that it did not do the work guaranteed.

The suit of the Ferguson, Palmer company against the steamer Vincennes was continued.

The transcript of the lower court in the case of the Harth Bros. Grain company was the Nashville, Chattanooga & St. Louis Railroad company was filed and the case continued.

The suit of Jerry Frazier against the Illinois Central was dismissed without prejudice on motion of the plaintiff.

The Hollowell Case.

Robert and Mary Hollowell are suing for \$50,000 each, damages alleged to have been sustained by being whipped and kicked by night riders, and compelled to sell their property at a sacrifice and flee from Caldwell county to escape the vengeance of their tormentors. Mrs. Hollowell says she was shot in the face and knocked down and kicked Mr. Hollowell was whipped and he says the night riders threatened to burn his property unless he left the country, to prevent his testifying against them in court. The assault is alleged to have taken place on the night of May 2, 1907. The defendants are John E. and J. W. Hollowell, Lula Hollowell, Wallace Oliver, Firm Oliver, Milt Oliver, Joseph Murphy, John Turner, William Turner, William Larkin, Sid Smith, Otis Smith, James Hyde, Malachi Pickering, Buck Lacey, Urey Lacey, Lucian McKinney, B. Malone, Marlon Brown, Edgar Oliver, Sparlin Murphy, William Murphy, Richard Pool, James Chambers, Jack Chambers, Joseph Cantrell, John Gray, William Tandy, and Ed Brown.

The plaintiffs are represented by Miller & Miller, of Paducah, and the defendants by Yost & Laffoon, of Madisonville, and Ward Headley, of Princeton.

Defendants and a host of witnesses arrived Sunday night and the majority of them are staying at the St. Nicholas hotel.

The defendants are among the best citizens of Caldwell county, own property and are members of the Planters' Protective association. They deny being connected with the night riders. Some of the most influential business and professional men and ministers of Princeton are here as character witnesses. The most of them will try to establish an alibi. It is said that some spicy evidence will be offered in behalf of the defense, if it is permitted to be given.

A meeting of the defendants and their attorneys and witnesses was held in the council chamber of the city hall last night. About 100 persons were in attendance. The meeting was for the purpose of arriving at a complete understanding as to the matter of procedure in court.

Court Officials.

Hon. Walter Evans, judge; J. R. Puryear, clerk; George Durelle, G. W. Jolly, Jr., attorneys; George W. Long, marshal; William Blades, chief deputy; Elwood Neel, deputy; John Clark and A. W. Greif, bailiffs.

CONTEST HEADED BY TAFT--MADE GAINS LAST WEEK

Taft Has Half Total Number of Delegates Chosen Thus Far in Race.

Secures Forty of Fifty-six During Week.

TENNESSEE GETS INTO LINE

Washington, April 20.—A bulletin issued from the Taft headquarters takes the following claims as to Mr. Taft's recent strength:

"The total number of delegates thus far elected is 546. Secretary Taft's supporters claim 278 of them, 242 being uncontested, to which should be added four from Oklahoma and eight from Tennessee, a total of 254. Fifty-six delegates to the Republican national convention were elected this week, and forty of them are pledged to Secretary Taft, either through instructions or by virtue of relations of preference.

"The situation in Tennessee has been cleared by the declaration of W. J. Oliver, whose services as an anti-Taft leader had been in demand, to the effect that he supports the candidacy of Secretary Taft, locally, and that no matter how the contests in Tennessee may be decided, the delegates seated will be for the war secretary.

"This virtually takes delegates in Tennessee out of the contested column and places them in the Taft column."

Taft "Most Fitting" Candidate.

Salem, Mass., April 20.—Unpledged and uncommitted delegates to the Republican national convention at Chicago were selected at the Sixth Massachusetts Republican convention. A resolution declaring that Secretary of War Taft "is the most fitting candidate to carry out the policies of President Roosevelt," was adopted.

TEST OF STRENGTH

BY-ELECTIONS CAUSED BY CABINET CHANGE.

Radical Party in England Devoting All Energies Toward Victory for Winston Churchill.

London, April 20.—The recent reconstruction of the cabinet which came about as a result of the retirement of Sir Henry Campbell-Bannerman and the assumption of the office of premier by Herbert H. Asquith, has plunged the country into a miniature election. Not less than seven by-elections have been made necessary to fill the vacancies created by the cabinet changes. Four of these will be decided in the coming week.

By far the most interesting will be held to return a member from the northwest division of Manchester, where the fate of Winston Churchill who is seeking re-election on his elevation to the presidency of the board of trade, will be a surer index of the country's estimate of the past two years of Radical rule than are the verdicts of the smaller constituencies which have gone against the government. This contest will be fought hard and the political fighters in both the dominant parties are preparing for the fray. Mr. Churchill will again be opposed by W. L. Joynson-Hykes, who contested this seat in the unionist interests at the last general election. There is also a socialist candidate in the field, but he does not cut much figure.

Mr. Churchill is showing his customary dashing energy in as fiercely a waged contest as has been seen in this country in years. After a brief Good Friday truce, he addressed not less than half a dozen meetings, four of which were in the open air in different parts of the constituency. Mr. Churchill's mother, Mrs. Cornwallis West, is repeating her tactics of the last election. She accompanies her son to the platform and is untiring in her work among the doubtful groups of electors.

THEATRICAL NOTES

Lillian Russell.

Lillian Russell, who comes to the Kentucky, is one of the most distinguished women on the American stage, and she is making still another claim to distinction, now that she has apparently brought one theatrical career to a close, only to begin another one. Former prima donna, singing comedian, and musical comedy star, she is now being announced simply as a comedienne, and the play which she brings to The Kentucky, "Wildfire," is a comedy of the usual type and is quite without music. The public has enjoyed the vocal excellence of this lady so much in years past that it has required no small amount of effort on her part to convince her old admirers that she ought not to sing any more, but she is succeeding in this purpose remarkably well. Last year she introduced a popular work called "The Butterfly," in which, as a widow of somewhat responsible tendencies, she was permitted to sing up and down the scale just once, in imitation of a musician who was plying his trade in an adjoining room. But the wonderful singing voice was not to be heard in any pretentious sense, and the entertainment proved to be quite pleasing, nevertheless. In the new piece not a note will be sung, and yet Miss Russell is said to be far surpassing her former success in "The Butterfly."

"Wildfire" is a play with a racing atmosphere, and "Wildfire" is the name of a speedy horse. A more or less sedate widow has derived from the estate of her late husband nothing of value except this horse with a pedigree, and she sees no way of making a living except by continuing, in secret, to enter Wildfire in racing contests. As the lady moves in a circle which views racing with disapproval, she has to be very careful not to permit the facts of her connection with the sport to be made public. But in the management of a famous race there is a threat of dishonesty by one of her competitors, and she is placed in a trying position. Upon this circumstance the climax of the play is constructed. Miss Russell will be assisted by Howard Gould, Will Archie and other well known players.

News Notes From the Sunday Papers.

Secretary of War Taft has sent to Senator Frye, of the committee on commerce, a letter endorsing the general plan for the establishment of an inland waterway commission to direct improvements of the rivers and streams of the country embodied in the Newlands bill and suggesting several changes which he believes will improve the measure.

The battleship fleet reached San Pedro harbor and was welcomed by 100,000 residents of Los Angeles, who traveled twenty-two miles to the coast to see the vessels enter the harbor. An elaborate program of entertainment both for officers and men has been arranged for the week. The fleet will be divided into three divisions.

Governor Wilson will begin at once reading the record in the Goebel murder cases and will study the evidence carefully before acting on the question of a pardon for Howard and Powers. All the arguments by the attorneys in the cases have been heard by the governor, who says that he will not let public sentiment influence him in his decision.

BECOMING A MOTHER

Is an ordeal which all women approach with indescribable fear, for nothing compares with the pain and horror of child-birth. The thought of the suffering and danger in store for her, robs the expectant mother of all pleasant anticipations of the coming event, and casts over her a shadow of gloom which cannot be shaken off. Thousands of women have found that the use of Mother's Friend during pregnancy robs confinement of all pain and danger, and insures safety to life of mother and child. This scientific liniment is a god-send to all women at the time of their most critical trial. Not only does Mother's Friend carry women safely through the perils of child-birth, but its use gently prepares the system for the coming event, prevents "morning sickness," and other discomforts of this period.

GREEN RIVER

ASSOCIATION IS ORGANIZED TO BRING PEACE.

All Elements Join in New Tobacco Deal in Five of the Counties.

Owensboro, Ky., April 19.—The Green River Tobacco Growers' association is the name under which the tobacco growers of the counties of Daviess, McLean, Ohio, Breckenridge and Hancock are now organized. These growers, who formerly constituted the American Society of Equity and a very large percent of the independent growers, are in the organization and there is every prospect that the Home Warehouse company will shortly join the forces. Officers have been elected, a constitution and by-laws adopted, and all the preliminary work has been done.

These things were done at an enthusiastic meeting of growers from the Green river district at the court house today. There were over 800 growers in attendance. The board of control will meet in Owensboro next Saturday and elect a secretary and treasurer and perfect plans for operation. The vote by which the new constitution was adopted today was almost unanimous. The result was not accomplished, however without some friction, and at one time the indications were that the meeting would break up in a wrangle.

The constitution adopted is the result of the work of a committee representing the regular American Society of Equity, the Home Warehouse and the independents. The following officers were elected: Henry Berry, of Daviess county, president; S. R. Ewing, of Daviess county, vice president. The members of the board of control were selected from the counties in the organization. The action removes all probability of trouble in the Green river district.

As a remedy for coughs and colds and healer of weak, sore lungs and for preventing pneumonia New Discovery is supreme, 50c and \$1.00 at all druggists. Trial bottle free.

JACKSON CO. DEPLORES LAWLESSNESS IN STATE.

The inhabitants of Breathitt and other mountain counties that have been before the public in an unfavorable light for years because of the lawlessness that has existed and have been attacked in press, pulpit and by stump speakers in Western Kentucky, are now having their in-lining denouncing western Kentucky for the lawlessness in the tobacco belt, according to a well known traveling man of Murray, who was in Paducah this morning returning from a trip through eastern Kentucky.

The gentleman entertained a crowd of people at the Union station this morning, reading resolutions adopted at a "law and order" meeting at Jackson recently. The resolutions were printed in the Jackson Democrat and call upon all the citizens of the "law abiding mountain counties to lend their aid in any lawful manner to put down the lawlessness in the tobacco growing counties," where it is said disgrace has been brought to the entire state by the depredations. It is said that the meeting at Jackson was largely attended and many humorous speeches were made.

FLOATER FOUND AT NEW MADRID MO.; NOT IDENTIFIED

Chief of Police Collins received a letter this morning from H. C. Riley, of New Madrid, Mo., stating that a riverman, had picked up the naked body of a man at that point and that it was being held for identification. The dead man was about 35 years old. He had black hair and a smooth face. The body was attired only in a leather belt and a pair of No. 6 shoes. There was nothing about the belt or the shoes that might lead to an identification. The man was about 5 feet 6 inches in height. Tattoo marks were found on both arms and on his right breast, the one on his right arm being the head of a woman. So far as can be learned no such man has been drowned in the Ohio river at or near Paducah recently.

NEWS OF COURTS

Fee 14 Years Old.

An example of the remarkable memory of Deputy Circuit Clerk W. C. Kidd and how well he is in touch with everything pertaining to his office, was shown yesterday when he recognized L. F. Carroll in the court room and handed him a witness claim that has been due Carroll since the January term of court, 1894. The certificate for the money has been in the clerk's office all these years, Mr. Carroll having neglected to call for it. He said yesterday he would not send it to Frankfort to get the one dollar due him but would keep it as a reminder of an efficient officer.

In Police Court.

Owing to the absence of Police Judge Cross, who was called to Livingston county yesterday to attend the funeral of his father-in-law, the court was presided over this morning by former Judge E. H. Puryear. The grist was a short one and most of the cases called were continued.

D. Huechcraft, charged with plain drunk, was sentenced to pay a fine of \$1 and costs.

The case of Porter Brown, charged with using insulting language, was continued until Thursday morning.

J. J. Woody, charged with breach of the peace, was held until Tuesday morning, when he will be given a hearing. At the same time A. J. Mobley, charged with malicious cutting, will have his trial.

Mose Acker, colored, an itinerant, charged with breach of the peace, was given a sentence of \$25 and costs. He could not pay.

Circuit Court.

The civil term of McCracken circuit court will open next Monday morning with a long list of cases for trial. During the criminal term, which closed last Friday afternoon, more sentences were imposed than during any previous term of the court. The entire number was 28 and of these two were life sentences. Next Friday or some day early next week all the prisoners, who were given a trial and who still have a chance of appeal, will be brought into court for sentence. Those who pleaded guilty were sentenced immediately, but those tried have a period of ten days in which to file notices of appeal, and during the interim are held at the county jail.

Marriage Licenses.

PULPIT TELEPHONE IS PROVING FINE SUCCESS.

Ever since a telephone has been placed upon the pulpit desk of the First Baptist church, a large number of church people who are confined to their beds or their homes, have been taking advantage of the opportunity offered to the music and sermons over the telephone. Sunday morning when Dr. Thompson preached to the Knights Templar about 20 phones were connected with the church and last evening when he preached again, nearly 35 connections were made. The idea of giving sick and aged members of the church an opportunity to hear the sermons was first suggested by the Rev. M. E. Dodd, the new pastor, and in order to make the thing possible an ordinary telephone was placed upon the altar. When the preacher stands immediately behind the telephone all of the people at the other end of the connected lines have no difficulty in hearing every word that he says. When he gets off at one side or the other the sound is less distinct. Just now plans are being made to equip the phone with a wide mouthpiece or horn like those used on a phonograph and it is believed that in this way everyone who is listening over the wire can hear more distinctly.

NEWS OF KENTUCKY

Cerulean Springs Chosen.
Louisville, April 20.—The executive committee of the Kentucky Press association, at a meeting here decided to hold the annual meeting at Cerulean Springs, June 15. They will have a three days' business session there, and will spend about half a day at Hopkinsville, and the meeting will close with a visit to Mammoth Cave.

Lamp Explodes.
Mayfield, Ky., April 20.—The home of Mrs. Noah Laird, living about three and a half miles east of town, burned to the ground at about 7 o'clock at night. Mr. Fac Hamlet and family also occupied the house, which was a three-room frame structure. The fire started from the explosion of a coal-oil lamp that had been left burning on the dining room table after supper. Everything but a trunk and other smaller articles were destroyed. There was some insurance, and probably enough to cover the loss.

Stringent Law.
Frankfort, Ky., April 20.—Governor Willson addressed a letter to Adjutant General Johnston, calling attention to a law passed several years ago, under which the night riders may be apprehended and punished and property may be guarded against injury or destruction, the guards to be paid out of the county treasury. The act also provides that officials who fail to act when notified may be punished and that a witness cannot be exempt from testifying because his testimony may incriminate himself. It is believed the enforcement of this act will solve the night rider troubles if they occur again in any part of the state.

Secretary and Mrs. W. H. Taft will be at the Kozy theater Tuesday, April 21. Don't miss this chance of seeing these great people and other notables, also the white house and other public buildings in Washington, Tuesday, April 21, only.

ANNUAL COUNCIL

PROTESTANT EPISCOPAL DIOCESE OF KENTUCKY.

Will Be Held at Louisville May 19 and 20—Much Interest Attaches to Meeting.

Much interest attaches this year to the eighteenth annual council of the Protestant Episcopal diocese of Kentucky, which meets in St. Paul's church, Fourth and Victoria Place, Louisville, May 19-20. The meeting will be presided over by the Rev. Charles E. Woodcock, bishop of Kentucky, who was chosen as bishop of the diocese in the church in which the services this year will be held.

Aside from the annual election of officers, in which much interest is centered, there is little of great importance to come before the council. Large delegations from towns throughout the state will attend, and the meeting will be one of the largest held in recent years. The first two days will be given over to the executive deliberations of the body and to addresses which will be made by different pastors of the diocese. On Thursday, May 21, the Women's Auxiliary to the Board of Missions will hold an all-day session, when luncheon will be served.

Its action on the blood, as a thorough purifier makes it especially useful as a spring medicine. This grand alternative tonic is sold under guarantee at all druggists.

Sleep

Sleep is nature's rebuilding period, when the energy used by the brain, muscles and organs is renewed. If you lose sleep, your system is robbed of the strength sleep should give. Continued loss of sleep multiplies this loss until you become a physical wreck. Dr. Miles' Nervine quiets the irritated nerves and brings refreshing, invigorating sleep. Nervine contains no opiates, and therefore leaves no bad after-effects.

"For over two years I suffered untold agonies, my friends thought I was going crazy. I could not sleep nor rest at all. I tried different doctors, but failed to find relief. My head would ache all the time; I was like one drunk; could not concentrate my mind, and was so restless and worried that sleep was out of the question. After taking one bottle of Dr. Miles' Nervine I felt wonderfully changed. I am now on my third bottle and am gaining all the time. I can lie down and sleep like a child, and am able to do my work."

MRS. MAY SCOTT, English, Ind. Your druggist sells Dr. Miles' Nervine, and we authorize him to return price of first bottle (only) if it fails to benefit you.

TO IMPROVE SERVICE.

N. C. & St. L. It Is Said, Has Not Obeyed Orders.

Washington, April 19.—The department of justice has decided to institute proceedings under the interstate commerce act to compel the Nashville, Chattanooga & St. Louis Railway company to furnish accommodations to negro passengers paying first-class fare equal in all respects to those furnished the white passengers.

The case grew out of a complaint filed with the interstate commerce commission against the railroad company by a negro woman, alleging discrimination. After an investigation the commission ordered the railroad company to desist from its discrimination, which order, it is asserted, has not been complied with. The matter was called to the attention of the president, who referred it to the attorney-general. Instructions to the United States attorney at Nashville are being prepared and it is expected that suit will be begun in that city within a short time.

IMPORTANT DECISION

Case of much interest was tried last Tuesday before Judge Emery, where George Ficklin, of this city, was charged with selling intoxicating liquors, and the evidence showed he sold Dr. Fizz, Crema and Vivo, prepared by A. M. Laevison & Co., and the proof all went to show these beverages were non-intoxicating, and the case was dismissed, as no violation of the law could be proven.

The decision of the court will act favorably with the sale of Dr. Fizz, Vivo and Crema, which are prepared and sold by A. M. Laevison & Co., of this city.

MRS. HUME OGILVIE DIES AT HOSPITAL

Wife of Chief Deputy Sheriff
Buried This Afternoon.

Was Daughter of William Moore, of
North Eighth Street and Well
Known in City.

LEAVES ONE LITTLE CHILD.

The many friends of Mrs. Clara Moore Ogilvie, who have been watching the course of her illness with deep sympathy for the last several weeks will be pained to learn of her death which took place at Riverside hospital at 2 o'clock Sunday afternoon, as the immediate result of a surgical operation performed last Wednesday.

Mrs. Ogilvie had been ill for more than a year and the operation was finally performed as the only possible means of saving her life. In this hope, however, both friends and physicians were disappointed and she finally suc-

cumbed to the ravages of the disease, with which she had been so long stricken.

Mrs. Ogilvie was the wife of Hume Ogilvie, chief deputy to Sheriff J. W. Ogilvie, of McCracken county. Besides her husband her own family consists of only one son, Hume Ogilvie, Jr., 2 years old. Other surviving relatives are her parents, Mr. and Mrs. William Moore, of North Eighth street four brothers, Norton, Emmett, Henry and Aubrey, and one sister, Miss Lucy Moore. She leaves an aunt, Mrs. M. E. Adams, of Harrison street, and two uncles, Mr. C. W. Morrison, of Paducah, and Bishop H. C. Morrison, of Birmingham, Ala.

Mrs. Ogilvie was born in McCracken county 38 years ago and since her early childhood had been a resident of Paducah. For several years she was a teacher in the public schools, and the number of her friends among her former pupils and in the church and social circles in which she moved is limited only by the extent of her acquaintanceship.

She was a woman of unusual intellectual attainments and her happy disposition and other graces won her hosts of friends. She was an active member of Trimble Street M. E. church, where the funeral was conducted at 3 o'clock this afternoon by the Rev. G. W. Banks, assisted by the Rev. G. T. Sullivan, of the Broadway Methodist church.

Baptist Recorder Will Not be Merged With Baptist World, Says Dr. Thompson

The report that the Baptist World Publishing company, a new corporation at Louisville, will absorb all the Baptist publications in the state is strenuously denied by Dr. Calvin M. Thompson, editor of the Baptist Recorder, the most important church paper in the state. The Courier-Journal, which is the paper that first gave publicity to the proposed consolidation, publishes the following interview with Dr. Thompson:

"The publication yesterday morning that the Baptist World Publishing company would shortly begin the publication of a new religious weekly and that it would in time consolidate a number of other religious papers, including the Western Recorder, brought forth a denial last night from the Rev. C. M. Thompson, president of the Baptist Book Concern and editor of the Western Recorder, regarding the use of the name of that paper concerning any future consolidation.

"Mr. Thompson said the Western Recorder was the oldest denominational paper published in Kentucky, and that no thought had been entertained by himself and associates in reference to consolidating with any other publication, and that the statement, no matter by whom it may have been made, was wholly unwarranted and misleading. In discussing the future of the Western Recorder, the Rev. Mr. Thompson said:

"There appeared in your columns this morning an article containing a statement that was unfair and absolutely misleading concerning the Western Recorder. It was in connection with the communication giving the facts and plans of the Baptist World Publishing company, which was incorporated last Thursday.

"The objectionable feature is as follows: 'The Baptist World Publishing company expects to begin publishing the Baptist World, a new Baptist religious weekly, which anticipates consolidating with, or absorbing the Baptist Argus, within a short time, and in the near future the Western Recorder.' This statement concerning the Recorder is absolutely without foundation in fact and could not be more misleading than it is. Dr. Harvey and his associates are at liberty to absorb whatever publication they may desire, but should be careful about mentioning the names of papers that they never can consolidate or command. The Recorder has a constituency that is the result of years, and it will continue to do business at the same old stand, in spite of this misleading statement. I trust it will be un-

necessary to make further statement to the friends of the paper concerning this matter."

The Herbine treatment will cure all these troubles. 50c bottle. Sold by J. H. Oehlschlaeger, Lang Bros. C. O. Ripley.

TEACHERS

WILL BE ELECTED BY SCHOOL BOARD AT NEXT MEETING.

Superintendent Carnagey Has Made Recommendations—Three Will Not Apply.

Teachers for the city schools next year will be elected at the next meeting of the school board Tuesday night, and the committee now has Superintendent Carnagey's recommendations for the places, which will not be given out until the committee makes its report to the board.

Four of the present teachers are not applicants for re-election, but will seek other locations. Miss Alice Hull, teacher of the first grade at Franklin school building, has accepted a position in the St. Louis schools. Miss Helene McBroom will go to Frankfort, where her father resides. Miss Daugherty, of the High school, is an applicant for a position in Nashville, and Miss Mabel Mitchell expects to attend college.

Superintendent Carnagey has already made recommendations for suitable teachers to fill the vacancies caused by the voluntary retirement of these teachers.
